

I'm sorry, the number you have dialed is not in service at this time

I'm relentless
I seen the trenches
Don't give a fuck bout no friendship
Nigga that's blood
Count stacks, bounce back nigga I does
They don't want smoke, get a quote from the plug
Thought I was a joke cause they broke what I was
Gotta wear a coat kinda cold where I run
Gotta wear a coat kinda cold where I run
Now I'm in a boat make it float when I must
I know
They think I'm a baby
They might call me crazy
I never been lazy
I'm puffin' on potent
It's keepin' me focused
I'm finna expose 'em
And they'll never notice

I work best when the lights out
And the times up
And the nights cold
And they left me
In the dark I
Found a spark I
Found a glow
Found a spark I
Found a glow
And the times up
And the nights cold
And they left me
In the dark I
Found a spark I
Found a glow
Found a spark I
Found a glow

I'm relentless
Seen the trenches
Seen the top too
It's a mess
It's a lot
Had to swap move places
Gotta new safe and the lock too matrix
Pace in the booth
Basically do
What you ain't finna do
See the needle meet you people and it ain't finna move
If the beat don't heat the people then they ain't finna choose
Queen of it, no Latifah, and she ain't finna sue
I come in with all a dat
Tell me where you want it at
I don't ever go where I'm not wanted at
Although I am a wonderful addition to a wanted ad
I come in with all a dat

Tell me where you want it at
I don't ever go where I'm not wanted at
Although I am a wonderful addition to a wanted ad

I work best when the lights out
And the times up
And the nights cold
And they left me
In the dark I
Found a spark I
Found a glow
Found a spark I
Found a glow
And the times up
And the nights cold
And they left me
In the dark I
Found a spark I
Found a glow
Found a spark I
Found a glow

'Fore you glow up, niggas gotta grow up
'Fore you glow up, niggas gotta grow up
'Fore you glow up, niggas gotta grow up
'Fore you glow up, niggas gotta grow up
'Fore you glow up, niggas gotta grow up
'Fore you glow up, niggas gotta grow up
'Fore you glow up, niggas gotta grow up
