

Homecoming

grouptherapy.

I think I love ya!

Oh, I
Been at work all got damn day
Gonna make sure I get paid
So believe me when I say
That I'm ready for the weekend
Now, babe
Gotta think I'd have you changed
Just need to see your face, yeah
You deserve a change of pace
We should go anyway for the weekend

To the beach, to the lake
To the cliffs, to the cave
To the clouds, to the rain
To the sun, to the shade
We can do anything
Anytime, anyplace
Girl, just call my name
Baby I'm on my way

Hit the highway and floor it
I got something important
Back at home for me
Waitin' up for me
Hit the highway and floor it
I'll be there 'fore you know it
Keep it warm for me
Girl, you're all I need
(I'm coming home, I'm coming home)
Girl, you're all I need (yeah)
(I'm coming home, I'm coming home)
Girl, you're all (I-I-I-I)
(I'm coming home, I'm coming home)
You're all I need
(I'm coming home, I'm coming home)
Girl, you're all I need

Part of me trapped in a bottle
A bottle of what makes you model for me
I got it for free
I copped you a copy of your favorite movie
I truly hope we never finish it
Fuck is you whisperin' for?
I want the body, come knock at my door
What for? We already know how it's deep
I think I forgot how to sleep
I think I forgot just how deep it is
How deep begins
If you would left me and I'm creepin' in
I break all your levees
I cannot afford ya, like Chevy Impala
I promise I'm poppin' your niggas with problems
I got you, I do
I made reservations, a table for two
Too long it's been since we both took a break

Let's hop in the whip and go get away

To the beach, to the lake
To the cliffs, to the cave
To the clouds, to the rain
To the sun, to the shade
We can do anything
Anytime, anyplace
Girl, just call my name
Baby I'm on my way

Hit the highway and floor it
I got something important
Back at home for me
Waitin' up for me
Hit the highway and floor it
I'll be there 'fore you know it
Keep it warm for me
Girl, you're all I need
(I'm coming home, I'm coming home)
Girl, you're all I need (yeah)
(I'm coming home, I'm coming home)
Girl, you're all (I-I-I-I)
(I'm coming home, I'm coming home)
You're all I need
(I'm coming home, I'm coming home)
Girl, you're all I need

I think I love ya!
