

## how i'm feeling

grouptherapy.

Don't ask me how I'm feelin' (Pa-pa, pa-pa)  
Don't ask what I'm concealin' (Pa-da, pa-pa-pa)  
Just to tell me how to heal it (How to heal it, how to heal it)  
When I just need a feelin' (I just need, need a feelin')  
I just need a feelin' (Okay, okay)  
I just need a feelin' (Okay, okay)  
I just need a feelin' (Okay, okay)  
I just need a feelin' (Okay, I just need to feel it)

I've been goin' through somethin' severely  
Look and you'll notice it clearly  
Don't question me if you don't wanna hear me  
Don't question me if you don't wanna hear me  
Why then I would rather be silent?  
Work through things in my mind than  
Someone giving a lifeline that  
Was just a waste of my time  
Do you hear me? I don't want you to fear me (Oh, oh)  
I can find my way back, I know I can find my way back

Don't ask me how I'm feelin' (Pa-pa, pa-pa)  
Don't ask what I'm concealin' (Pa-da, pa-pa-pa)  
Just to tell me how to heal it (How to heal it, how to heal it)

I just need a feelin' (Okay, okay)  
I just need a feelin' (Okay, I just need to feel it)

I'm tryin' to spare you from things you don't need  
Like seein' a side of me that you've never seen

To the left (To the left), to the right (To the right)  
Since you left, I ain't never been right (Been right)  
When I sleep, I can see you in the night (In the night)  
And the pain cut deeper than a knife (Than a knife)  
To relieve I got higher than a kite (In the car)  
Take a trip, take a ride, take a flight (Take a flight)  
When I see you it's a muhfuckin' fight (It's a fight)  
Ray Charles even say it's on sight

With yo' bitch ass it's way too many bitches in this bitch  
(Go steady, go crazy, if I tell you, you should be right here)
