

Hiking in Lightning

Gruff Rhys

Hiking in lightning is exhilarating
And frightening
Sandy foundations make shaky skyscrapers
Enlightening

Once in a while they'll topple over
Once in a while they'll tumble down

Hiking in lightning will tighten your timing
And terrify
A flash of illusion will temper confusion
And nullify

Hiking in lightning
Hiking in lightning

Walking a tightrope in slippery flip flops
Is harrowing
Like lying on hot coals or swimming in acid

Once in a while we'll topple over
Once in a while we'll sink or swim

Hiking in lightning is exhilarating
And frightening
Sandy foundations make shaky skyscrapers
Enlightening

Hiking in lightning
Hiking in lightning
