

Lost Tribes

Gruff Rhys

Lost tribes, stay free
Lost tribes, deliver us from pain
Lost tribes, stay free
For you, for me

Lost tribes would conquer
Lost tribes would conquer the world
For us, for me
For you, for thee

Lost tribes, deliver
Lost tribes, deliver us from pain
Lost tribes, I come
In peace, for you

Lost tribes, stay free
Lost tribes, deliver us from pain
Lost tribes, stay free
For you, for me
