

## Racked

Gruntruck

I saw the water fall  
eyes, the room is pulled yeah-oh  
I thought the dish was done,  
the images cut no more yeah-oh  
Little wings are broken hey,  
snapped yes and folded  
under the water fall,  
this will be scolded

I took a shot to the head,  
is that what words are for yeah  
I got the scars to prove it,  
hear my pulse, will roar yeah

I'm on the rack, will you pull and pull yeah  
I'm on the rack, will you pull and pull

I've got a little place,  
with blackened and little souls,  
Yeah just a little place,  
take us in, won't let us go  
Little wings are broken yea-oh  
snapped yes and folded  
Hey, Hey, Hey  
Hey, Hey, Hey

I'm on the rack, will you pull and pull yeah  
I'm on the rack, will you pull and pull  
pull and pull and pull

I saw the water fall  
from eyes, the room is pull' yeah  
I thought the dish was done,  
images cut no more yeah-oh  
Little wings are broken yeah-oh-a,  
snap' yes and folded  
Hey, Hey, Hey  
Hey, Hey, Hey

I'm on the rack, will you pull and pull yeah  
I'm on the rack, will you pull and pull yeah  
I'm on the rack, will you pull and pull yeah  
I'm on the rack, will you pull and pull  
pull and pull and pull
