

# After You

Gryffin

Had so many dreams  
Baby, you and me  
Said forever and I believed it  
Now it's 4 am  
I'm wide-awake again  
Going over our memories and

Fools go rushing out  
I just don't know how  
I'm supposed to be alright  
When you're not around

'Cause now it's like  
Nobody gets me like you do  
I'm not the same, not after you  
So many things that we've been through  
I'm not the same  
Not after all that's been said and done  
I don't even feel like I'm back at one, no  
Nobody gets me like you do  
I'm not the same, not after you  
  
I'm not the same, not after you  
I'm not the same, not after you

I've been broke and lost  
Took you running off  
Need you now like the air I'm breathing  
You're still on my mind  
And when I close my eyes  
You're the only thing I see and

Fools go rushing out  
I just don't know how  
I'm supposed to be alright  
When you're not around  
  
'Cause now it's like  
Nobody gets me like you do  
I'm not the same, not after you  
So many things that we've been through  
I'm not the same  
Not after all that's been said and done  
I don't even feel like I'm back at one, no  
Nobody gets me like you do  
I'm not the same, not after you  
  
I'm not the same, not after you  
I'm not the same, not after you  
I'm not the same, not after you  
I'm not the same

Fools go rushing out  
I just don't know how  
I'm supposed to be alright  
When you're not around

'Cause now it's like  
Nobody gets me like you do  
I'm not the same, not after you  
So many things that we've been through  
I'm not the same  
Not after all that's been said and done  
I don't even feel like I'm back at one, no  
Nobody gets me like you do  
I'm not the same, not after you

I'm not the same, not after you  
I'm not the same  
Not after all that's been said and done  
I don't even feel like I'm back at one, no  
Nobody gets me like you do  
I'm not the same, not after you
