

# ENEMIES

Gryffin

I got thoughts in my mind all the time and I can't let 'em go  
And they say that it's fine, but in life, these things you never know  
If it's all in my head, why you scared to let me see your phone?  
I can't trust you now to be alone

Wanna keep you closer than my enemies  
Wanna keep you closer than my enemies  
I can't read you when I know you're next to me  
Next to me, next to me  
Closer than my enemies

Closer than my enemies

Sure, you can party, long as I'm at the bar  
Say that you want me, best night of your life, yeah  
Say, "Babe, don't worry," won't take you way too far  
Yeah, way too far  
And then it's hard

I can't trust you  
And then it's hard  
I can't trust you  
And then it's hard  
I can't trust you now to be alone

Wanna keep you closer than my enemies  
Wanna keep you closer than my enemies  
I can't read you when I know you're next to me  
Next to me, next to me  
Closer than my enemies

Closer than my enemies  
Closer than my enemies

Wanna keep you closer than my enemies  
Wanna keep you closer than my enemies  
I can't read you when I know you're next to me  
Next to me, next to me  
Closer than my enemies

Closer than my enemies  
Closer than my enemies
