

I know you've been walking down a lonely road
Cried so many rivers now the well is low
I saw your light
You can follow me home

Cause you know that I love you
You know that I care
If you don't, let me show you
That I could take you there, I could take you there yeah, yeah

Jump in the water
Don't you be scared
When it's too deep, you can breathe in my air
Deeper than oceans can feel my
Love is everywhere, love is everywhere, yeah yeah

Love is everywhere, love is everywhere, yeah yeah
Love is everywhere, love is everywhere, yeah yeah
Love is everywhere, love is everywhere, yeah yeah
Love is everywhere, love is everywhere, yeah yeah

I don't think you even realize that
I was down here when you threw a line out
You took my rainy days and made them everything
Promise I can do the same

Cause you know that I love you
You know that I care
If you don't, let me show you
That I could take you there, I could take you there, yeah yeah

Jump in the water
Don't you be scared
When it's too deep, you can breathe in my air
Deeper than oceans can feel my
Love is everywhere, love is everywhere yeah, yeah

Love is everywhere, love is everywhere yeah, yeah
Love is everywhere, love is everywhere yeah, yeah

Jump in the water
Don't you be scared
When it's too deep, you can breathe in my air
Deeper than oceans can feel my
Love is everywhere, love is everywhere yeah, yeah

Love is everywhere, love is everywhere yeah, yeah
Love is everywhere, love is everywhere

Cause you know that I love you
You know that I care
If you don't, let me show you
That I could take you there, I could take you there, yeah yeah
