Safe With Me

Gryffin

Safe with me, safe with me, safe with me
Yeah, yeah, yeah, yeah
Safe with me, safe with me, safe with me
Yeah, yeah, yeah, yeah

Don't know why I get so messed up
In my head, but
I keep putting up fences
Anything to keep away from the truth

Maybe I've been going too hard
Doing too much
Tryna drown out my senses
I don't know what I been trying to prove

I want somebody to say to me
"Come lay with me, you're safe with me"
I want someone to come through for me
Hold tight to me, finally

I want somebody to wrap me up in the middle of the night, yeah
Stand tough, tell me everything's alright
Who'll say to me, oh, say to me
"You're safe with me", tell me, "You'll be safe"

Safe with me, safe with me, safe with me
Yeah, yeah, yeah, yeah
Tell me, "You'll be safe with me"
Safe with me, safe with me, safe with me
Yeah, yeah, yeah, yeah

Safe with me, safe with me, safe with me
Yeah, yeah, yeah, yeah
Tell me, "You'll be safe with me"
Safe with me, safe with me, safe with me
Yeah, yeah, yeah, yeah

People tell me I'm a fighter
A survivor
No, I don't suffer fools like
I never been the type to get lonely, yeah

But being young, it kinda gets old
Kinda gets cold
Always keeping it cool, yeah
There's a side of me that they don't see

I want somebody to say to me
"Come lay with me, you're safe with me"
I want someone to come through for me
Hold tight to me, finally

I want somebody to wrap me up in the middle of the night, yeah
Stand tough, tell me everything's alright
Who'll say to me, oh, say to me
"You're safe with me", tell me, "You'll be safe"

Safe with me, safe with me, safe with me
Yeah, yeah, yeah, yeah
Tell me, "You'll be safe with me"
Safe with me, safe with me, safe with me
Yeah, yeah, yeah, yeah

Safe with me, safe with me, safe with me
Yeah, yeah, yeah, yeah
Tell me, "You'll be safe with me"
Safe with me, safe with me, safe with me
Yeah, yeah, yeah, yeah

I want somebody to say to me
"Come lay with me, you're safe with me"
I want someone to come through for me
Hold tight to me, finally

I want somebody to wrap me up in the middle of the day, yeah
Stand tough, tell me everything's alright
Who'll say to me, oh, say to me
"You're safe with me", tell me, "You'll be safe"

Safe with me, safe with me, safe with me
Yeah, yeah, yeah, yeah
Tell me, "You'll be safe with me"
Safe with me, safe with me, safe with me
Yeah, yeah, yeah, yeah

Safe with me, safe with me, safe with me
Yeah, yeah, yeah, yeah
Tell me, "You'll be safe with me"
Safe with me, safe with me, safe with me
Yeah, yeah, yeah, yeah

Safe with me, safe with me, safe with me
Yeah, yeah, yeah, yeah
Safe with me, safe with me, safe with me
