

## THE REASON

Gryffin

Give me a reason to stop loving you  
'Cause my heart can't take it anymore  
Oh, yeah  
Give me a reason to stop wanting you  
'Cause I can't take that holding you no more  
Oh, yeah

Give me a reason to stop loving you  
'Cause my heart can't take it anymore  
Give me a reason to stop wanting you  
'Cause my heart can't take it anymore  
(Anymore)

I'm still so fixated  
I'm frozen in time  
Yeah  
So say that it's over  
Be cool to be kind  
It's been a thousand nights  
Since you've been gone  
Be hurt so much  
To know I'm not the one  
But I keep holding on  
I keep holding on  
I keep holding on

Give me a reason to stop loving you  
'Cause my heart can't take it anymore  
Give me a reason to stop wanting you  
'Cause my heart can't take it anymore  
(Anymore)  
Oh-oh-oh  
Oh-oh-oh

Give me a reason to stop loving you  
'Cause my heart can't take it anymore  
Give me a reason to stop wanting you  
Oh-oh-oh  
'Cause my heart can't take it anymore  
(Anymore)  
Oh-oh-oh
