

# Broken Record

GSoul

Can't seem to forget about you  
Every little thing makes me think of you  
Can't seem to forget about you  
All the things that we used to do

Gets better with time  
But you'll no longer be mine  
Pretendin' I'm fine  
When I'm cryin' inside

Still missin' your smile  
It's hurtin' my pride  
But love is always stronger  
And it makes me wonder  
If I'm still in love with you  
And I can't help it, no, no, no  
Sounds like a broken record  
Singin' all this blues, but don't you know  
Know

Can't seem to forget about you  
Every little thing makes me think of you  
Can't seem to forget about you  
All the things that we used to do

Didn't answer your call  
'Cause I know I might fall  
For you all over again

Still missin' your smile  
It's hurtin' my pride  
But love is always stronger  
And it makes me wonder  
If I'm still in love with you  
And I can't help it, no, no, no  
Sounds like a broken record  
Singin' all this blues, but don't you know  
Know

Can't seem to forget about you  
Every little thing makes me think of you  
Can't seem to forget about you  
All the things that we used to do

Don't know how many songs I wrote about it  
Guess it's not really helping at all  
What do I do when I'm stuck in the love  
All alone?

Can't seem to forget about you  
Every little thing makes me think of you  
Can't seem to forget about you  
All the things that we used to do

Sounds like a broken record  
Sounds like a broken record  
Sounds like a broken record

Sounds like a broken record
