

# Get Up

GSoul

Even when the sky is falling down  
And you got nobody else around  
I know it's hard, but it's easier than it sounds  
All you gotta do is get yourself up off the ground

You've got to get up, just keep your head up, yeah  
You got to get up and get yourself up off the ground  
Got to get up (Gotta get up)  
Just keep your head up, yeah  
Got to get up and get yourself up off the ground

When you're sick and tired of being sick and tired  
When you done cried your last tear yesterday  
No more sittin' around at home in your own misery  
You just gotta go and and pick yourself up off the ground

You got to get up (Get up)  
Just keep your head up, yeah (Keep your head up)  
You got to get up and get yourself up off the ground  
You got to get up (Got to get up)  
Just keep your head up, yeah  
Got to get up and get yourself up off the ground

I can tell you from experience  
You can turn things around  
When you realize, you get to choose to be  
In the light when all the things seem to fall apart

You've got to get up (Gotta get up)  
Just keep your head up (Keep your head up high)  
Got to get up (Hey)  
Got to get up (Get up)  
Just keep your head up (Keep your head up)  
Got to get up (Gotta get up)  
You got to get up (Even when you feel when it's over)  
Just keep your head up (Keep)  
Got to get up (Keep your head up real high)  
Got to get up, just keep your head up (Keep your head up high)  
(Just keep your head up, yeah)
