

Hate Everything

GSoul

Had a perfect picture in my head
With you in the most beautiful dress
I look happy as ever
How did I let you go again

Now I'm standing alone in the rain
Like the kinda movie that we used to hate
Wish I could take back the time
But I know this time it's real

Hate that I'm singing this song
I hate that I have to be strong
Hate that you're gone
I hate all my flaws
Hate that you love someone else
Hate everything
Just hate everything right now

Had my doubts but I thought we could work
Gave all I had but you needed more
We both promised forever
But forever don't last too long

Now I'm standing alone in the rain
Like the kinda movie that we used to hate
Wish I could take back the time
But I know this time it's real

Hate that I'm singing this song
I hate that I have to be strong
Hate that you're gone
I hate all my flaws
Hate that you love someone else
Hate everything
Just hate everything right now

Really wish there was a way
To do it all over and erase
All the beautiful memories
Now it's just killing me
Oh baby

Hate that I'm singing this song
I hate that I have to be strong
Hate that you're gone
I hate all my flaws
Hate that you love someone else
Hate everything
Just hate everything right now

Hate everything
Just hate everything right now
