

Heartbeat

GTA

Life without you isn't life
Your pose is like heaven next to mine
Every time you come around, you take my breath away, away
Not a moment goes by when you're not on my brain, my brain

You make my heart beat
You've got that feeling
You keep me going on and on yeah

You make my heart beat
You've got that feeling
You keep me going on and on

(Every time you come around, you take
Take my breath away)
Every time you come around, you take my breath away
(Every time you come around, you take
Take my breath away)
Every time you come around, you take my breath away, away
Not a moment goes by when you're not on my brain, my brain

You make my heart beat
You've got that feeling
You keep me going on and on, yeah

You make my heart beat
You've got that feeling
You keep me going on and on, yeah

Heartbeat, yeah
Heartbeat
Every time you come around, you take my breath away

(Every time you come around, you take
Take my breath away)
Every time you come around, you take
Take my breath away
Every time you come around, you take
Take my breath away
Every time you come around, you take
Take my breath away
Every time you come around, you take
Take my breath away
(Every time you come around, you take
Take my breath away)
