

Can't Stop Finessing

Guapdad 4000

Yeah
Swipe scam
(James Delgado)
Yeah, ayy

I just can't stop finessing
Dumb niggas making it too easy (Too easy)
These hoes making it too easy
I just can't stop finessing
Dumb niggas making it too easy (Too easy)
These mortals making it too easy
You can take my life away (Ayy)
You can't take away my genius (Nah)
I guess I make it look too easy
Why they running off with the sauce? (Ayy)
Guess I made it look too easy
Probably made it look too easy, yeah

Bury me with my girlfriend so niggas can't fuck my bitch (No)
Get my mama all my money and auction off all my shit (Fuck it)
Eating pussy 'til the back of my tongue hurt like I went had it pierced (Ew)
Carats crumbled on the Cartier nose, buffalo on my ears (Slatt)
My main bitch don't relate to me no more so she just talk a lot
Even though I got home pussy I don't know if I'ma jack off or not (XVideos)
Max B in these cleats
I'm locker field in these seats
I need the main stage 'cause in the front row
Not really feeling these seats
Got a Bible verse in her bio so I know she gon' let a nigga fuck fast (Sauce
)
I imagine she's Jorja Smith when we fucking so I could bust fast
When I came over, Alyx chain choker
Strangle away my brokeness
Hang-over, killing me slowly
Hopeless, like a chain smoker

I just can't stop finessing (Ayy, yeah)
Dumb niggas making it too easy (Too easy)
These hoes making it too easy
I just can't stop finessing (Ayy, ayy)
Dumb niggas making it too easy (Too easy)
These mortals making it too easy (Too easy)
You can take my life away (Ayy)
You can't take away my genius (My genius)
I guess I make it look too easy
Why they running off with the sauce? (Yeah)
Guess I made it look too easy (Scam)
Probably made it look too easy, yeah
(Finesse)

Everybody got their time to struggle
I know that's for sure
I feel like my time is hella extra long
When you cooking, when you turn to diamonds when the pressure's on
I see myself in VVS with hella extra stones
My mama would complain about my Pops
But that nigga was a kid, he wasn't trained for baby drops

Like caecilians or gorillas or civilians and militias who decided they wanted different
Had to switch up my job
Even though I wasn't on the block
I still lost some niggas to the block
I was watching Cowboy Bepop 'til the shooting stop
When it was my turn to shoot
I would book, huh
Let me not, the block was hot
I wanted ice to make the Summer stop

I can't stop
Finessing for more reasons to go get the guap
Keep at it, going up until I get the drop
Or drop until I'm going up a clever swap
I got partners who ain't never popped so

I just can't stop finessing
Dumb niggas making it too easy
These hoes making it too easy
I just can't stop finessing
Dumb niggas making it too easy
These hoes making it too easy

My little brother, he would steal from me then chill with me
I got partners who I thought snake but still with me
I was raised to know these hoes will keep it trill with me
So I self-sabotage when bitches wanna build with me, live me, chill me, yeah
PTSD, I can't heal from it, yeah
So understand me
It's bigger than scamming
My family ain't had musicians I wanted hood Grammy's
Hood Oscars, hood trophies
The accolades was the escalades to a juvenile
A degree's four hundred steps away
Can't be no BG when times is slim
Gorilla warfare is within, I got the glow but it's within, yeah
I done seen a boss turn into a bum
I done seen a loaf turn into a crumb
I done seen a poor kid turn to a portrait
I'm fleeing from them porches

So I can't stop
Finessing for more reasons to go get the guap
Keep at it 'til it's going up until it drop
Or drop until I'm going up a clever swap
I know some will never pop that's why

I just can't stop finessing
Dumb niggas making it too easy
These hoes making it too easy
I just can't stop finessing
Dumb niggas making it too easy (Dumb niggas making it too easy)

That's why I can't stop finessing
(Dumb niggas making it too easy)
That's why I can't stop finessing
That's why I can't stop finessing
