

Embezzle

Guapdad 4000

Embezzle, embezzle, embezzle, embezzle

Yeah

Embezzle, embezzle, embezzle

Yeah

Bitch, I'm a thief, I need it all

I don't sell raw, bitch, I do fraud, fraud, fraud, fraud, fraud

Don't have no flaws, the fuck is a flaw?

That woman's a fraud, fraud, fraud, fraud, fraud

We swipin' them cards and breakin' the law

Can't stop doin' fraud, fraud, fraud, fraud, fraud

Don't steal from my niggas, we stealin' from y'all

We doin' fraud, fraud, fraud, fraud, fraud

Ayy, yeah, I can't do the cap shit, why the fuck you lyin'?

Storytellers talk tales, I won't let the shit slide 'cause you rhymin'

Bustin' down the gold links, wrap it up in diamonds

Diamonds came out the purifier, that'll let you know a nigga shinin', yeah

When it come to the embezzle, know I need a gold medal

Rose petal, Rollie face with the diamond bezel

VVS, somethin' very, very sly, but you know it's very, very special

.45 heavy metal, pullin' strings like Gepetto

Still swipin', still scammin', still fraudin' and I embezzle 'cause-

Bitch, I'm a thief, I need it all

I don't sell raw, bitch, I do fraud, fraud, fraud, fraud, fraud

Don't have no flaws, the fuck is a flaw?

That woman's a fraud, fraud, fraud, fraud, fraud

We swipin' them cards and breakin' the law

Can't stop doin' fraud, fraud, fraud, fraud, fraud

Don't steal from my niggas, we stealin' from y'all

We doin' fraud, fraud, fraud, fraud, fraud

I came in with fraud, sex where they're changin', I came in the mall

Came in here icy, you came in here thawed

I'm made from cloth, you made from a cloth

But yours are for bitches like panties and bras

That bitch was not a good fit

Like I ordered the small and it came in a large

You the police, bro, you came with the sarge

Shit is like Tron or Jumanji

When you a player, bitch, the game is in charge

Charge it to the game, no shame in a loss

Every L I took made me a boss

M's on me, but no p's in my loft

Q's like I'm loadin' up Microsoft

Our essence is so cold that it's frost

You see what I bought and we meet like the swap

In Gucci like wop, in Prada we plot

Moschino with mops, Burberry we bops

In Fendi for flops, 424 for drops, in SoHo for props

This shit is easy, pieces like reese's

Tom Ford smellin' all breezy

I'm sorry, deeply

But nigga I need it, changin' up quick like Eevee

Bitch, I'm a thief, I need it all

I don't sell raw, bitch, I do fraud, fraud, fraud, fraud, fraud
