

Hoe

Guapdad 4000

I don't need a hoe, I need a whole lotta paper
I don't need a hoe, I need a whole vacation
I been outside doing fraud all month
I ain't never seen a nigga like me once

I don't need a hoe, I need a whole lotta paper
I don't need a hoe, I need a whole vacation
I been outside doing fraud all month
I ain't never seen a nigga like me once

Swiping cards, doing fraud living hot
Dennis Rodman
Niggas dying at the top
Human Made
On the bucket and the rugs
Trying to fuck a Claremont Twin in her butt
My life a movie
How I'm running wit this chicken
I'm getting coochie if I'm buying you this ticket
Hello Kitty varsity
With the big letters
Put my Rollie on because it make my fit better
To fuck an India again
I would love to
To fuck Julie again
I would love to
To fuck that singing bitch again
I would love to
But it's a whole lotta something
What I'm up to

I feel like Missy Elliot
How I'm dancing in the rain
With this big ass coat on
My outfit is crazy
Telling hoes I do skincare
It ain't cap!
When we fornicate
I give this bitch a face mask

I need a whole lotta paper
I don't need a hoe, I need a whole Vacation
I been outside doing fraud all month
I ain't never seen a nigga like me once

I don't need a hoe, I need a whole lotta paper
I don't need a hoe, I need a whole vacation
I been outside doing fraud all month
I ain't never seen a nigga like me once

Changed names
Because I need just GUAP
I ain't you niggas dad
And I ain't you niggas pops
I know you wanna be with me baby just stop
You wasn't with me at the bottom so I need just top

Can't Payless
Cause my Shaq game ready
Break her back
Then I'm bored
Like the glass if she let me
And they all probably let me
I'm a Mack with heavy cheese
She think I found love
Because I give her Heavy D

So I don't need a hoe
I need a home loan
Clocking too many numbers need a whole new phone
If my last catch-up and gotta face cops
I don't need a hoe
I need the whole case dropped

So I don't need a hoe, I need a whole lotta paper
I don't need a hoe, I need a whole Vacation
I been outside doing fraud all month
I ain't never seen a nigga like me once

I don't need a hoe, I need a whole lotta paper
I don't need a hoe, I need a whole Vacation
I been outside doing fraud all month
I ain't never seen a nigga like me once
