'Cause a nigga banned from Uber
Had to hit her with that scam maneuver
When she's sleep, grab her cards and start orderin'
You know a nigga like me gon' run it up
When she call to ask about it, I ignore the shit
Mm, let's have a threesome
That way I double up on the meat suck
Slumber party if I get to fuck all of y'all
Good dick that'll leave the whole team stuck

She said, "You don't gotta whisper to get me ready"
I just didn't wanna wake up your kids
But fuck it, uh, I guess I could talk now
Hit it from the back, she can't walk now
Put it in her mouth, she can't talk now
