Guapdad 4000

I'm just a young nigga trying to get paid  
These days on a whole new wave  
Why the man want me working like a slave (It's a check)  
Quit my job wasn't happy with the wage  
Young nigga hoppin' out the whip  
Going dumb since 06'  
I'm not that nigga who wants your money and your time  
I be that nigga that's wants your soul and your mind  
10 Visa's going straight to my bitches and they gone flip it  
Blue bank rolls  
You would think I was crippin'  
But I'ma young Oakland nigga  
We don't do that here  
I keep it player year round in these dirty vans, bitch  
Blue Hundreds  
I'd die for new money  
Same nigga's tryin' break bread be too crumby  
Know I'm Scam Chappelle but my funds not funny  
Got the Bernie Mac on my lap just in case you looking for me  
Shake something  
Pay something  
Roll something  
Pull your titties out right now both of 'em  
You know I got blue hundreds in my pocket  
So I don't want nothing from you  
Girl, I got it

They don't want to see me shine like that  
They don't want to see me grind like that  
Spend it all then get mine right back  
I'm just trying to get my mind right back  
VVS dancing on me  
VVS dance like N Sync  
VVS dancing on me  
VVS dance like N Sync

I'm in a four door jeep with the top down  
Reflecting on incidents that had me knocked down  
Hot boy really shut the block down  
But the game so cold like Moscow  
I been struggling with my own addictions  
I been battling with vixens  
I'm addicted to these bitches  
I been battling the bottle, I'm addicted to that Henny  
I'm in love with the flex  
Still In love with my ex but that bitch a hoe  
I'm a hoe to so you know  
I can't judge nobody, no  
I had to get that money out of state, aye  
Riding foreign on the golden gate, aye  
Running to the money catch a nigga pace, wait  
Spray a nigga like mace  
Was involved in big fraud just to glow like this  
If you can't respect my mind you a hoe you a bitch cause'

They don't want to see me shine like that  
They don't want to see me grind like that

Spend it all then get mine right back  
I'm just trying to get my mind right back  
VVS dancing on me  
VVS dance like N Sync  
VVS dancing on me
