

Kingdom of Rock

Guardian

I heard a crack of thunder
So loud it shook the ground
The lightning flashed and our mighty king
From heaven's throne came down
Rock me in the nations
With a mighty sound

Rock -kingdom of rock
Welcome to the rock
Rock - kingdom of rock
Welcome to the rock

We're here together living
With his majesty
He reigns forever - he's always been
The power and glory
Rock me in the rations
With a mighty sound

Rock, kingdom of rock
Welcome to the rock
Oh rock, kingdom of rock
Welcome to the rock

I wanna hear that sound
Yea lay a little guitar on me, oh yea

Oh rock, kingdom at rook
Welcome to the rock
Oh rock, kingdom of rock
Welcome to the rock
Rock - kingdom of rock
Welcome to the rock
Rock - kingdom of rock
Welcome to the rock
