

## Heart Of Darkness

Guardians of Time

I'm so high. High inside.  
I've done something cold and unknown.  
I have doubts. I have remorse.  
I have lost my soul.

Turn it around. Safe and sound.  
No one knows just what I have done.  
Extacy of agony. Pleasure in the pain.

Hide behind a curtain of lies. Heart of darkness. Cold as  
ice.  
Hide behind a curtain of lies. Heart of darkness. Cold as  
ice.

I know it's wrong. I know what evil I have done.  
I know it's wrong. I know what evil I have done.

Hide behind a curtain of lies. Heart of darkness. Cold as  
ice.  
Hide behind a curtain of lies. Heart of darkness. Cold as  
ice.
