

# Raise the Eagle

## Guardians of Time

Fall in line, prepare the wall  
Let them come to us  
Legionaries! Stand your ground  
Listen and prepare

Sentence of the gods  
Raise your swords, disrupt!

Rise the banners high  
Let the eagle soar the sky  
Let it soaring high  
Raise the eagle in the sky

Push them back, let no one live  
Gladius finds warmth  
Step, thrust, block, sword soaked in blood  
Fight us if you dare

Challenging your gods!  
Eyes glow red, distraught

Rise the banners high  
Let the eagle soar the sky  
Let it soaring high  
Raise the eagle in the sky
