

"As the firm expanded,  
The need for labour grew rapidly.  
To meet this need she developed  
An extensive recruitment program  
And a large scale commercial campaign.  
Are you clutching to a straw,  
And you can not get the ends to meet?  
We will reach out a helping hand  
Before you are in to deep."

Welcome to the future where everything is gold.  
We will welcome everyone, young and old.  
We will build a new world, different from this old.  
Power, wealth will co-exist, the price is your...  
Do you feel sadness in your life?  
Do you feel all alone?  
Come to our family of light.  
Come to TriOpticon.

"Like a painter painting a picture,  
She paints the world in her palette.  
Like a painter creating a picture,  
She creates the world in her image.  
Now her doctorates at the Sorbonne comes to its full  
use,  
As well as some hereditary qualities starts to manifest  
themselves  
And stand out, when she now starts to draw  
And develop the TriOpticon tower."

We will give you anything you need:  
Anything that you crave.  
All we ask of you is this:  
The price for your...  
Do you feel sadness in your life?  
Do you feel all alone?  
Come to our family of light.  
Come to TriOpticon.

"The campaign draws new people to her empire  
In an almost annoyingly successful manner,  
And she gains further incentive to speed up the work on  
the tower."

We will give you anything you need:  
Anything that you crave.  
All we ask of you is this:  
The price for your soul.  
Do you feel sadness in your life?  
Do you feel all alone?  
Come to our family of light.  
Come to TriOpticon.
