

Nigga wants the business  
Big boy business  
Never ask for me and my big boy business  
Baller of the century, these other niggas history  
Everyday's Christmas, trapping long distance

Put my wrist up and now your girlfriend need assistance  
Light bliss and this is hell she's persistent  
My looshi never kissed her but my dick's full of her lipstick  
Lipstick on my MCs now your girlfriend out the miskey  
White girls at my party bad tonight limp bizkit  
Never kinda late, codeine I pick it  
Rolled up on me homie, I'm a shoot while risky  
Let my watch home 60 so my chopper home 50

360 ye  
360 ye  
Nigga I just bought a billie 360  
That chopper hit you make you do it 360  
I was a broke nigga like 360  
360 ye  
360 ye

360

I was fucked up did 360  
My auntie on my money dirty but she say I'm gifted  
Has just seen with a girl with some big titties  
I think clean as fuck but my money filled in  
10 k grands will get you unlimited blowjobs  
I only deal loud no blowjob  
But get up on my dick that's your whole job  
Get your hair wet we'll send your mom a postcard  
Flip that passage fuck that whip and be with and I did again  
Mama said that she heard that I be dealing again  
Count money while I flip that loud in the wind  
And less than 30 minutes is I can count to 360

360 ye  
360 ye
