

Any Thing

Gucci Mane

You can tell me
He can tell me, she can tell me, no...

You can tell me any thing, you can talk to me
Now you can tell me any thing, you can talk to me
Getting licks, want 2 or 3?
Bricks they go for cheap, shall we meet? I got what you need
What you wanna get 2 or 3? Nigga fuck with me
I be in the dope game
And I can say ya any thing
That boy, that price too high, he a liar, he can't fuck with me
Gucci Mane got fire, I got fire, come and fuck with me

Trap back full of this shit, that bitch so ugly, can't get er to pull up thi
s shit
Trigger be on my dick, that bitch so slick, I might just sue a bitch
Trap house born so hard, they can make me ignore it, I might just move this
bitch
Lost 200 grams, I'm water whippin, need some better bricks
Pete my new shit, Gucci Mane glue brick, I'm so slick when a brick be 2 bric
ks
Cooler than a penguin in a cooler with a lot of juice
Shawty swallow, yea ya daughter, and she use a lot of spit
I'm Mr Million Dollar Dick, and I can pluck you by the bitch
You better pay me in full, a nigga fully auto
Before I'll have yo black ass burned like charcoal
Manhunt for me just like Chapo
And French Montana can buy my swag but I'm still head hancho

You can tell me any thing, you can talk to me
Now you can tell me any thing, you can talk to me
Getting licks, want 2 or 3?
Bricks they go for cheap, shall we meet? I got what you need
What you wanna get 2 or 3? Nigga fuck with me
I be in the dope game
And I can say ya any thing
That boy, that price too high, he a liar, he can't fuck with me
Gucci Mane got fire, I got fire, come and fuck with me

Sellin bone out the fuckin boat, I just broke the boat
Serve yo head fore I serve a hoe, I just broke the stove
Just drop on the fuckin spot, need another spot
I get talk, can a nigga talk? Gucci Mane got gwop
Drop my top with yo main bitch, damn she off the leash
Got her mean lookin like that in jeans then she pour my lean
Try to refrain from smoking the grain cause it fuck my friends
My bitch take me or the fuckin lean, I chose the codeine
Bitch go ahead and leave, hold you leave my key
You can take this bullshit cause it means nothing to me
Said she ain't got nothing on you, bitch he ain't got nothing on me
And matter of fact, bitch where that pan at cause you ain't my cup of tea

You can tell me any thing, you can talk to me
Now you can tell me any thing, you can talk to me
Getting licks, want 2 or 3?
Bricks they go for cheap, shall we meet? I got what you need
What you wanna get 2 or 3? Nigga fuck with me

I be in the dope game
And I can say ya any thing
That boy, that price too high, he a liar, he can't fuck with me
Gucci Mane got fire, I got fire, come and fuck with me

If I can talk yo pridna and I fidna
I got fit enough for you wouldn't I?
Take a Wifi, put it at midnight
Take another one, fire turn to Hercules
And buy that bitch a Burgunbe
You know that bitch gon burn for me
The all blue Bentley bew, I drop the top, they Papa Smurfin me
You think bout lil like nerf, you wanna turf
And you not worth a fuckin thing, I think you cursed
My ice is water, you can surf
Yea yea yea you can surf, that's what it's worth
What's that lil darts? 3 hunned spent on a shirt
Yo bitch wanna go berserk
On this stick, I bring the stick, wussup look to it
I left my sunglasses on the table, came from eagles like my victim
I got like sip is just controlling me like a motherfuckin district
I drink that lean, I got that fisk, yea I got that fisk yea just like this b
itch

You can tell me any thing, you can talk to me
Now you can tell me any thing, you can talk to me
Getting licks, want 2 or 3?
Bricks they go for cheap, shall we meet? I got what you need
What you wanna get 2 or 3? Nigga fuck with me
I be in the dope game
And I can say ya any thing
That boy, that price too high, he a liar, he can't fuck with me
Gucci Mane got fire, I got fire, come and fuck with me
