Gucci Mane

Consider your girlfriend borrowed  
Holla at her tomorrow  
She say that I go harder  
Good-good brain, the girl way smarter  
No disrespect, that's someone's daughter  
So happy that I caught her  
Got a room at the Ramata  
And I heard that homegirl swallow (Break bread)  
Old school like the [?]  
Imma fuck all her partners  
All her homegirls' slaughter  
But you spoil her like a father  
It's Gucci 2 times, I can pull 2 dimes at the same time, take her to the same place  
Get married and divorced in the same day  
Make her hate me in the worst way  
(Gucci!)

Brick Squad boys go harder

Ain't no need to call her  
She don't wanna be bothered
