Pour the lean so dark, it look like Jack Daniels
She's a supermodel bitch but she got a Nathaniel
I drag a bitch by her hair, captain caveman

Girl you got me real horny but your girlfriend corny
I never ever forced the check but I ride on Forji's
Reroll a vic or two, take a picture boo
And you can do me how you want, you got a Nicki booty
I spill my lean on her ass she got a sticky butt
I need half the deposit back, you got a rental booty
You got on 10 Versace chains that's something Frenchie do
I got on 15 diamond necklace like Big Meech'll do
I murked the man and beat the charges just like Boosie did
Big diamond rings hang off my finger, Liberace kid
In a black Magnum pullin' up with plenty bails of mid
And if you tell 'em what we did then we'll kidnap your kid (squad)
