

Changes

Gucci Mane

Keep some of that shit though, like at the beginning where I was killin' tha
t shit at
You know where I start bullshittin'
Boom, boom

Real nigga, so I'm peepin' the hate from a distance
Solid as fuck, if you hatin' on a nigga, then you must got somethin' against
me (Fuck it is?)
What it is? What's all this tension?
They just see them changes, nigga
I be all by myself, thinking 'bout nothing but life, how the fuck I can chan
ge it, nigga? (How the fuck I can change a nigga?)
How I'm livin', it's dangerous, nigga (Big Fizzle)
You don't know what I'm thinking
In the hood with that banger, diamonds danglin' (Diamonds danglin')
Won't tuck shit, drop somethin', take it (Take it)
Before the rap, I knew I was amazing (On God)
I can sell anything, you lazy (Bitch)
'Fore I give up, I'll stick up and shit and get rich off of robbin', jackin'
, and takin'
And I won't die broke, drew that shit on my soul, so I can't go back and era
se it (Ha)

Country boy, where I'm from, I made it
And I ain't even made it where I wanna make it (Fuck I wanna make it to)
That's what make this shit so damn crazy
Seein' niggas in slick competition, but I'm a real nigga, I'm happy you winn
ing
I done touched six figures, this just the beginning (Woo), eighteen, that yo
ung nigga shittin' (Damn)
Did a donut at school, so cool with the teachers (Damn), them folks ain't ev
en suspend me
Graduated up in May, did that for my people and I know they happy I did it
Know you see these changes up in me, smilin' and shit, but got anger built i
n me
So I got a quick temper and I ain't that social, why I don't be hanging with
many
I remember my pockets was skinny, Cooter the only one helped a young nigga (
On God)
Now these folks' ass comin' around like I owe 'em somethin', I don't owe you
a penny (Bitch)
Bun B, hit the curb, let's get it (On God)
Windows tinted, can't tell who in it (Bitch)
And my vision clear, I know what I want, can't stop 'til a youngin fulfill i
t
I'll never start somethin' I can't finish, that's how I was raised, that's h
ow I'ma end it
Tell the judge, "Free Travis and Jimmy"
Trashed the AR, picked up two Glizzies
Shoot 'em both at the same time, pop my shit 'bout the pettiest shit, John W
ick-ing (Boom, bah)
Got some hoes in the hotel lickin' (BiC Fizzle)
Youngin just havin' his way with this shit, he livin', ayy (On God)

Peepin' the hate from a distance
Solid as fuck, if you hatin' on a nigga, then you must got somethin' against
me (What you got against me?)

What it is? What's all that tension? (Bitch)
They just see them changes, nigga (Changes)
I be all by myself, thinking 'bout nothing but life, how the fuck I can change it, nigga?
How I'm livin', it's dangerous, nigga
You don't know what I'm thinking (Hold on)
In the hood with that banger, diamonds danglin' (Now)
Won't tuck shit, drop somethin', take it (Take it)
Before the rap, I knew I was amazing (Knew I was amazing)
I can sell anything, you lazy
'Fore I give up, I'll stick up and shit and get rich off of robbin', jackin'
, and takin'
And I won't die broke, I'm a Clark Street baby, bitch

Yeah, nigga, you know I'm a Clark Street baby, you hear me?
Everything about me a real nigga, I ain't never did no flaw shit, you hear me?
'Cause I'm a real nigga, I'm 1K4L
Klan business, you hear me?
Everything I stand for, on me
'Cause I'm a real nigga, you hear me?
Death before dishonor
