

Chicken Room

Gucci Mane

If this a cold drop and why you waiting cold dope
Great liquor small lines in the dope house
And too far smoking cigars and dining room
Got birds everywhere this calls the dining room
Three hundred pound roll tight on the room
And who the close act the money in the closet fool
I'm not a handles Gucci keeps a lot of tools
I teach nigga how to cut it like this bubble coop
Wait a minute just be patient I may take a minute
On the I hear the flickers em

Got cities scroll it got no money in my living room
Got birds everywhere I call it the chicken room
And I'm bout to move my bitch in my kitchen soon
That bird is everywhere I call it the chicken room
Got cities scroll it got no money in my living room
Got birds everywhere I call it the chicken room
And I'm bout to move my bitch in my kitchen soon
That bird is everywhere I call it the chicken room

I'm with my damn with my madam and I'm fat blunt
I call the ashes in the I'm having fun be my dawn celebrating fun
I need a bottle time what crack one
Me and Ross on the block what a I'm in the zone system I'm cool with my black gun
True religion 50 in my true religion
And they no fifty in my roly jeans
Ain't no whine chain you want to everything
You know my regime how money I means
I pray to your clan, I pray to your roll I got a hundred things
I'm tryin to y'all

Got cities scroll it got no money in my living room
Got birds everywhere I call it the chicken room
And I'm bout to move my bitch in my kitchen soon
That bird is everywhere I call it the chicken room
Got cities scroll it got no money in my living room
Got birds everywhere I call it the chicken room
And I'm bout to move my bitch in my kitchen soon
That bird is everywhere I call it the chicken room

Hey, all I see the dawn I'm flyer than them all
Who that say the the cash right on
I call my Monaco big scared
People whatever they hear they nigga Paris
I I can't spare it
Unless you my coach that's why I roll the vouches

Got cities scroll it got no money in my living room
Got birds everywhere I call it the chicken room
And I'm bout to move my bitch in my kitchen soon
That bird is everywhere I call it the chicken room
Got cities scroll it got no money in my living room
Got birds everywhere I call it the chicken room
And I'm bout to move my bitch in my kitchen soon
That bird is everywhere I call it the chicken room
