

# Coachella

Gucci Mane

Cold weather, just performed at Coachella  
It's a cold summer so I'ma paint the Lamb yellow (yewww)

Watch sweater, Patek and it's an eye catcher  
That's your wife, get her, so cold I need like five sweaters (brrr)  
She getting with you, don't spend your lifetime snitching  
I'm a I'll nigga, come get a life size picture  
I'm a wild pitcher, watch out cause bitch, I might hit ya  
Brought your bitch witcha, watch me cause I might Mike Vick her

My summer cold  
This for my niggas on the stove getting out the bowl  
I'm an Eskimo I live with snow, hoe snorting coke  
This for my niggas in a hole, still selling dope  
(Burr, burr, burr)

My summer cold  
This for my niggas on the stove getting out the bowl

This for my niggas in a hole, still selling dope  
(Burr, burr, burr)

Soft-top Rolls, I pulled out the parking lot  
This bitch won't pick up the phone she must think I'm Travis Scott (hoe)  
Gucci so dope like they pulled him out the pot  
Don't care if your man play ball or not bitch all tote is bankrolls  
When you super cold then they drop it likes it's hot  
These hoes ain't really fucking you they fucking what you got bro  
Yeah that ass on swole but you know that bitch a thot  
Told her suck it like she love it and you better not waste a drop  
(Hot)
