

# Drop My Top

Gucci Mane

Drop my top anytime I wanna  
I'ma drop my top on the dope man corner  
Drop my top anytime I wanna  
And I dropped the price on the dope man corner

Drop, drop  
Gotta buy me that drop, drop  
These fiends want that trap, trap  
You know those hoes gon' drop, drop

I'ma drop my top anytime I wanna  
She drop her top but you must have dollars  
Drop my top anytime I wanna  
She drop her top but you must have dollars  
Drop, drop  
These fiends love that trap, trap  
Drop my top anytime I wanna  
Drop my top but you must have dollars

Bugatti in Sun Valley and it look outta place  
I move your bitch outta place first date outta State  
I made the plug drop the ticket on my last package  
And I dropped your ex-wife like a bad habit  
Dropping money everywhere, a lil' cabbage  
And I dropped your CEO, don' need no extra baggage  
I have a shipment of bricks the same color a' cum drop  
A dark skinned girl but don't listen to none but punk rock  
Ashamed to say my career started off that straight drop  
Reminiscing running round with the deuce pack  
I hope to pass out t'way like [?] did when we shot the Glock  
I'm a serving rapper, we OG, 'cause yeah, that Two Pack  
(Guwop)

Drop, drop  
Gotta buy me that drop, drop  
These fiends want that trap, trap  
You know those hoes gon' drop, drop

I'ma drop my top anytime I wanna  
She drop her top but you must have dollars  
Drop my top anytime I wanna  
She drop her top but you must have dollars  
Drop, drop  
These fiends love that trap, trap  
Drop my top anytime I wanna
