

Extacy Pill

Gucci Mane

Ecstasy pill, Miley Cyrus
Automatic, big as a wheel, 4-door 'Rari
Nigga play with sticks in them chicks, we like bodies
Everybody 'round me got m's, like the Cosbys
Pussy niggas know that I dare 'em
Thugga, these niggas know that you dare 'em
I treat her good cause I know that she care
I paint her face just like fuckin' mascara

All my niggas talk realistic, all my niggas play with digits
All my niggas fuckin' friends-es, all my niggas fuckin' titties
Shit, all my niggas' finger itchin'
All my niggas pass a chrome hard, you know all the windows tinted
I come through yo' block and make a fuckin' mess
In big white minivan with choppers and TECs
These bitches know I got now, fuck who got next
