

Faces

Gucci Mane

Scream, scream, scream
Bitch!

Got 200 in my [?], don't push it in my [?] flow
Young hoe, ten years older, drop it dead like a bulldozer!
My older hoe, she's a real soldier
Put it over and never saw it
Ten thousand doughs in a new Corola
And I let her go and she still going!
Blowing up and she real calling
Slow motion, no still [?]
We're no slow in no disco,
But I'll kick the shit like I feel going!
If you din't know this, I'm gonna tell
I start commotion, don't need promotion
I got one way [?] more than the average person
[?] bad bitch, but I chose a person!
Brand new [?] I'm close [?]
That came in so bad to [?]
Feel it to his girl he a lying dude
But he [?] you can start to flirt!
Singing money, but he miss the payment
Pay to the basis up in the basement
Got a [?] with a weed [?]
Pull it so hard I had to call the station.

Faces faces I've seen so many faces pockets full of dead white
guys that's plenty faces faces faces I love that white erases d
on't wanna see no new faces rubber bands on all my faces faces
faces I've been so many places met so many women trying to skee
t on all they faces faces pretty faces I love to paste it bad b
itches I paint they faces getting face on a daily basis faces f
aces faceless niggas they scared to face me you know you pussys
face it mask up my face like jason faces faces I dropped her o
ut to places feds they keep on chasing for the bread I'm a keep
my faces

I had to count case and had to trim my face
They was on my trail, but I got away!
Faces equal paper, faces buy you cases
Favor for a favor, faces equal blesses
Faces equal flexing, faces stop the stressing
I say fuck the face, and [?] trusted!
He gave me a blessing, a lot of niggas telling (salute!)
He didn't make the call, and I relate the missing, yeah!
Nigga I want it all, I'm talking faces
In every state I ball, in different places! (let's go!)
Don't you piss me off, you'll be faceless

With my back against the wall, all I still made it
Let's go!

Faces faces I've seen so many faces pockets full of dead white
guys that's plenty faces faces faces I love that white erases d
on't wanna see no new faces rubber bands on all my faces faces
faces I've been so many places met so many women trying to skee
