Cars real clean but the whip game nasty
Ugly ass nigga but I pulled up in a Phantom
Might be ugly but my car is really handsome

Everybody working the stove
Gotta get it up up, gotta get it up up, gotta get it up up
Country nigga get taxed and flexed for his sack
I'm laughing at him cause he can't get it back
Gotta get it up up, gotta get it up up, gotta get it up up

Trap beatin junkies kicking plus a couple niggas owin' me
Junkie hit the fence to come and test the dope for me
Got a couple bags they stashed
Good dope come in this week well shit hopefully
Can't ask a nigga cause I ain't with that front shit
But I'm ready to eat like school time when lunch is
Got rock salad yeah you with that crunch shit

Hard time trapping' ass nigga just got tricked
Laughing' at them lame niggas ha ha ha bitch

5 for a half, 24 for a whole, its the trap season
Everybody working the stove
Gotta get it up up, gotta get it up up, gotta get it up up
