Gucci Mane

ha ha ha ha ha  
ha h h ha ha ha ha

Now that I'm finally free,  
I'm about to do it again  
I take my life in my hands  
cause I'm as grown at man

I am grown as man

now that I'm finally free

I was lost but now I'm found  
I was blind but now I see  
super high can't touch the ground  
life tested me but god blessin me  
ever since chase ball to testimon  
from a jail have a job to testmons  
I have find myself clear mind myself  
fuck up the grov I got a blind to see  
treats I'm aware tryin to sell  
beein long so long know they now  
they wanna a long cool war like vietnam  
but there ain't man bored in the music cell  
feds will but a mans hell  
but my bestfriend probably don't die here  
I don't lie at you but I cry like hell  
like a two because he got a eighty years  
going hard see him a miles away  
I guess he's gotta a lot here  
let me dad ahead never dad did  
great great great grand pa  
had a really crazy swear  
so I stand a day  
digin down a grave  
did a flack in hill  
in a a miles away  
a got a point and proof  
I was tryin to raise  
can't let them in mistake  
that dad didn't make

I' m finally free,  
you re never send me away  
to get everything that I have  
to make you finally blessed  
Now that I' m finally free,  
I'm about to do it again  
I take my life in my hands  
cause I'm as grown as man  
now that I'm finally free

Squash the beat won't freein it

I get to wanna see those cheat each other

From day who they flock or hate my mother
