Gucci Mane

Dear diary
33 years old (33)
A couple million up
It's good
I'm a single parent
It's Guwop
Medicine since for two
I'm love my little boy
Yea the truth
Cherish my mother
Thank you dad
And I just want half
(I have everything in the world)

But these hoes want half
(can't get it)
How the hell you get a bitch half?
I would've cut that bitch in half
Cuz I could never give a bitch half

What if I was on my last
You mean she'd get half of my cash
Man that bitch can kiss my ass
It's Guwop, she will never get half
This AK knock a nigga in half
Like a magician I cut a bitch in half
I came up, me and Juicy are hand in hand
I cut the head down of 50 dollar sacks
Now I'm trappin hard, I'm on Grisham ave
A nigga play me, I'mma cut him in half
Dirty gang, you gon take a blood bath
It's Gucci Mane, got 3 million in cash
I got a real real big stack
I hate it when I see the tax
These bitches man they love to harass

You's a stalker, You's a stalker, You's a stalker

Gucci Mane man I'm a smooth talker
And I control a bitch like a snake charmer
