

It's Guwop  
Freethrow

Nigga better bring his best, nigga better bring his best  
Nigga run up, I guessed it  
By some long, that nigga was flexin'  
All my dope I stretch it  
Used to get the bricks from Texas  
Nigga just got off the exit  
Am I gon' pay or just finesse it?  
Gucci Mane, I'm from Bouldercrest but I still used to hang on [?]  
Keep a revolver like a nigga in a western  
Been locked up so many damn times but I still ain't learn my lesson  
If the jug by 12 didn't care about 7, still walk around with my mac-11  
I'm a dope cook and professor  
Skrt skrt, this ain't no hamburger helper  
My uncle is my tester, free Jerry Chester  
Got a show in San Diego, but the bricks still comin' on schedule  
Got tha' handcuffs on yo' baby momma but Gucci Mane can't arrest her

New car; no roof  
Fuck you and yo' hoe too  
Jesus piece on my chest but I get the bricks from Heysus  
Hector Camacho, ass niggas, y'all niggas ain't bulletproof  
The nigga standin' next to you with it too?  
Fuck you and that nigga too  
New car; no roof  
Fuck you and yo' hoe too  
Jesus piece on my chest but I get the bricks from Heysus  
Hector Camacho, ass niggas, y'all niggas ain't bulletproof  
The nigga standin' next to you with it too?  
Fuck you and that nigga too

A nigga run up on gwop  
Nigga gon' get popped  
Nigga gon' get mollywhopped  
Hit with a champagne bottle  
My young niggas so crazy  
Half of the time, don't listen  
Half of the time, they trippin'  
50 percent, prison  
90 percent, yo' bitch with me  
100 percent, that scrap with me  
Young nigga bought 8 chickens  
4 clean, 4 missin'  
Yo' girlfriend so ugly, I don't even know why the hoe strippin'  
You might as well just start pimpin'  
Put that bitch on Ol' Dixie  
Got two pints, so I'm big sippin'  
Got a show in Mississippi  
On this David Banner, hometown  
If I'm now, it's my city  
And tell him that I got fire with me  
All my nigga's gon' die with me  
You can walk over like you big bad  
But when I shoot yo' ass, you gon start limpin'

New car; no roof  
Fuck you and yo' hoe too  
Jesus piece on my chest but I get the bricks from Heysus  
Hector Camacho, ass niggas, y'all niggas ain't bulletproof  
The nigga standin' next to you with it too?  
Fuck you and that nigga too  
New car; no roof  
Fuck you and yo' hoe too  
Jesus piece on my chest but I get the bricks from Heysus  
Hector Camacho, ass niggas, y'all niggas ain't bulletproof  
The nigga standin' next to you with it too?  
Fuck you and that nigga too
