

## Highly Recommended

Gucci Mane

Homicide with malice a lot of niggas jealous  
I wrote the streets a ballad, I woke up on a pallet  
Gucci my suspenders, I used to get suspended (Guwop)  
Stay far away from snitches, I highly recommend it (Racks)

I'm 'bout them racks like Venus, but I don't play no tennis  
My smile done brought me millions so shout out to my dentist (S  
hout out)

You lightweight, get your weight up and stay out Gucci business  
There's sharks out here, don't get ate up, I'm not really frien  
dly

You haters get your hate up, you ants couldn't even pinch me  
I own the team I play for, so you could never bench me  
I spend cash like it's playful, feel like that's what it's made  
for

Dem broke days made me grateful, dem court dates made me hatefu  
l

I'm not talking The Weeknd, but I'm talking 'bout Abel  
You see this shit that Cain did and they weren't even strangers  
My daddy dead, my momma dead so God sent me some Angels  
I'm from East Atlanta, catch a thief, cut off his finger  
Cocaina off the airplane, own private hangar  
The chopper in the trunk make ya do the Macarena  
Money in container, shipping it to Califina  
Running circles 'round these squares with these rectangles  
Mountain Park apartments next to Triangle  
Heard they fucked him with a broom stick and left it in his ana  
l

If you dwell on it, think too long, you go insane-ah  
Dash your own heroine they searching for a vein-oh  
Dope so good it clog the pipe-line, need Drano  
Had to bring the chopsticks and cut that boy up like Maino  
Twin extended .40, yeah, that's bangers on bangers  
Niggas saying that they trapping but they RnB singers
