With these niggas keep on beatin the door, they don't wanna spend a c

The jacket tried to steal my lawn mower, he go wet
When I first bought my bed, these bitches said Gucci's a mess
Came back in that M6 and I drop my top, she dropped her dress
We da best, fuck the rest
Leavin with me, better bring yo vest
Climbed on the criss, the Charger on 6's
I'm lookin for them hood bitches

Where the hood bitches? All I fuck with hood bitches
Like them hood bitches, yea I fuck with hood bitches
Where the hood bitches? Point me to the hood bitches
It's Guwap in this bitch and I want them hood bitches
Where the hood bitches? Tell me where the hood bitches

I'm a black it tonight with a bitch so bad
That she rode a bike but she not a dike
She got a man but she wear the pants
So I guess the pussy nigga got her panties tight
I said here's the plan, he's a lame
Respect the game, bring me the white
Do it again, I'm the Gucci Mane
My fuckin round made you my man
Many things but a change of heart
Cause she came in with some granny panties
I'm so picky that my dick went limp
And I had to keep the poor bitch out the mansion
Yea young nigga got a 4-5
But a nigga just to ass and pants
These hood bitches give the best head
When I fuck her I keep a pistol handed

Where the hood bitches? All I fuck with hood bitches
Like them hood bitches, yea I fuck with hood bitches
Where the hood bitches? Point me to the hood bitches
It's Guwap in this bitch and I want them hood bitches
Where the hood bitches? Tell me where the hood bitches
Where the hood bitches? Point me to them hood bitches
Gucci Mane in this bitch, I got my hood bitch
You ain't no hood bitch, I need them hood bitches
