If yo man is a square then you shouldn't fuck with squares
I suggest you call yo girl cause I fuck bitches by the pair
From the bed to the couch, fuckin all over the house
If yo man don't pay yo rent then I suggest I put him out

I'm so cold when it come to hoes
Think my heart is made of cold
If you watch my mama though she'll say my heart is made of gold
But my Rollie made of gold and my heart been turned to stone
And my boss a rolling stone and where he lay his head home
Baby girl I'm freezing, take me out the freezer
If you don't believe me I can make you a believer
My motor had a heart attack, my truck it had a seizure
All this gold around my neck, they think I come from Asia
Gucci Mane got stupid grown so you can fire that weed up
Go on and call yo hairdressed cause I'm a fuck yo weave up
Diamond rings all on my fingers, I look like a preacher
Losers keepers, you can keep er, I just want a freak

Coldhearted, I got mo money than a gold artist
They say rappin make you money, I keep buyin mo Rarris
Strangers talk when they walk by me then say sorry
And if a nigga touch me shutdown the whole damn party
Drinkin Rose out the bottle, like a ice cold vodka
They say you bought her the D but you just start ballin
I used to run up on the scene but I got no degree Shawty

Niggas don't gotta fuck with me long as these bitches keep callin
I'm a stone cold killer, load my shot Glock 40
You got a problem fore you walk, don't be no deadmad walkin
Tried to be a humble nigga but my bread started talkin
Tried to tell my dogs to stop but them choppas start barkin
I say what the fuck I wanna say like my nigga Charles Barkley
How you gon play ball with niggas when you niggas not ballin
Tried to sneak me in the joint, had to stomp em to the floor
I ain't goin' back no more cause it's ice cold in the hole

Baby I don't mean to stare cause yo nigga right there
I suggest you fuck with me cause baby I'm a bigger player
If yo man is a square then you shouldn't fuck with squares
I suggest you call yo girl cause I fuck bitches by the pair
From the bed to the couch, fuckin all over the house
