

James Bond

Gucci Mane

Taze is not my bar
Jay pull got me switching up the car
Talking bu fu fu audemars
An my motor blew on this more more

Longway chamber
Full fergus on
Bad bitch with puns
Get my fucking gangster on
Hold on get my OG on
Hold up on my stuff on
Pike up and briss counts as fun
Took it make it plays at home
The foreign, I just fully gadget person
But in gets the ratchet
Loaded plowing loaded for
Took the gun for sneaky bouncing
OG get one we can bounce in
A thousand on just help me scout for
Who wanna fuck I always help it
My time won't say it help me
My jewels on another level
So much cash gonna need a shovel
Play by debts feed their burial
30 sides sees tiberia
I ain't talking loud nigga
I ain't trying to scare you
I'm a long way but I come to your area
Each of our bars 4G homies on the fuck
With my arm hanging out y'all never for the problems

Taze is not my bar
Jay pull got me switching up the car
Talking bu fu fu audemars
An my motor blew on this more more

Ye it's your odd boys what the fuck you think
For a drank in my cup Kirko Bangz where he come from
She gotta be a chill lady with a damn pompom
A long way blow with a palm in a pompom
Looking all sail south beach on the country
Pirates pat with my palm on my wrist beat
Whooping up with the cane here to make your heartbeat
Smoking on mirage and cloud 99 be
Running round the live here popping on molly
Switching on foreigners can't catch Longway
Burn on the streets, can't catch Longway
Burn out of heat safari on my feet
Jiga boo fool on me
Why say lipstick girl come kiss me
Bustin that spandex, girl you took it
On like automated I took the station
My motor blow on the court of 4 on the circuit
Pants on the road you'll get em when the sun lift
Pull up at your door I ain't trying to hit a dumpster
PeeWee J bum and my fly in the sun beam
I open on fire stay on the door step

Pro with the 24510 in it
Longway J but smash on anything
This y'all odd boys vicious on piggy rain

Taze is not my bar
Jay pull got me switching up the car
Talking bu fu fu audemars
An my motor blew on this more more
