

## Late

Gucci Mane

Its only the first date, hope that you don't be late  
Late (6x)

Its only the first date, I hope that you don't be late, concert  
, walk through after part, fall off in that thing late, I'ma ma  
ke them boys hate, gucci got that long cake, done spent the nig  
ht with me, I guarantee you'll go to work late, my bills are ne  
ver paid late, I ball all night wake up late, done met me that'  
s your big break, thank god you'll win a date late, slumber par  
ty my place, girl we can stay up late, tomorrow you'll feel gre  
at, don't be mad I called real late

Baby I'm so up in it feeling like the way that, girl I'm so tur  
ned up

I'm so up in it with my niggas, slipping liquor who gone fuck  
with us, fuck with us, fuck with us

We ball off in the club late, I been grinding hard all day, in  
your city, standing on the sofa sipping rozay, I stay up on tha  
t new shit, you suckas catch on too late, ya'll sweeter then a  
moon cake, I'm booked all the way to June bay, the irrинг got h  
er woozy, she feels like its a movie, I'm freshly faded, stupid  
icey, head to toe in gucci, I never pay my bills late, big mat  
ching and its real say, I just keep....., the waitress brought m  
y drinks late, so just bought the bar aye, cause I'ma a star, s  
o hear me from a far, but just don't violate, every feature I a  
nnihilate, he so lame he can't buy a date, no my space you can  
hide away, at my place we can stay up late

ned up

I'm so up in it with my niggas, slipping liquor who gone fuck w  
ith us, fuck with us, fuck with us

Lately she been making me, pay a late fee, I run the streets, s  
he stay awake and wait for me impatiently, he pillow talk, talk  
in his sleep, say all he do is hate on me, faithfully, that's  
fake to me, but that don't aggravate a G, my money never come l  
ate, bitches never come straight, say she neva fucked a sucka n

igga on the first date, say that with a straight face, okay ill wait, shawty got her taxes late, guess that why her purse fake , say that with a straight face, okay ill wait (2x), shawty got her taxes late, guess that's why her purse fake, rolled up to my flight late, had to take an ice break, wake up every morning , jump in something white on white okay, really I don't like to date, meet me at the club okay, better late then never, fix your face or you will get replaced
