They mad, they mad, they mad (Icy Girl Gang, burr)
{Y'all wanna know what's a hit? Because J. White just produced it}

I ain't tryna talk, I done said what I said

I ain't got time for a fake-ass fan
I'm a real-ass bitch from beginning to the end (So Icy)
I ain't got time for a broke-ass man
Need a real-ass nigga with some real dividends
I ain't tryna talk, I done said what I said
Seen your last message and I left it on read

And I ain't got time for a nigga
If he wanna taste me, he gon' have to take me out to dinner
You know I be stayin' low-key in the house
Ice cream MTV on the couch (Burr)
I'm gucci, I'll cut 'em off on the couch
Ain't got no time for no petty beefs out here in these tweets
Anybody tryna come for me better come complete
'Fore I get your man, send him home, and call him and repeat

I ain't tryna talk, I done said what I said
Seen your last message and I left it on read

You be in the streets, huh? On the creep, huh?
Sayin' you a meal, but ain't with the beef, huh?
I be seein' you in public, but you can't speak, huh? (Yeah)
Guess it's 'cause your man out here throwin' meat, huh?
Actin' like you like it, he'll never wife it
If I call him over, bet he come over and pipe it
If he want some fruit, I know he gon' like it
If I text a peach, I bet he come over and bite it

I ain't tryna talk, I done said what I said
Seen your last message and I left it on read

Pass me some scissors, I'ma straight cut 'em off
