But I treat her like whore, she suckin' dick from 2 to 4
And my top it drop, my boobies out
She super stout with super mouf
Recruit her mouf, salute her mouf
I'm in and out all through her mouf
She suckin' dick all through the house
She salivin' like a poodel
I choose her mouf, abuse her mouf
But never do I refuse her mouf
She eat a dick, I squirt a bit, she got a barracuda mouf
Head so good a lame nigga might empty out his bank account
She cussed me out bitch watch your mouf

I just wanna make her mouf good, I told her when it's the sloppiest
Told me daddy talk to me, I told her bitch you pilin' it
I just wanna buy her mouf, I asked 'er was she sellin' it
One word describe her with the dick bitch you passionate
She be wanting the lights on but I be wanting the opposite
