

# My Lil Gee

Gucci Mane

Seem like girl got more heart than a nigga do

My lil' bitch a G  
My lil' bitch a G  
My lil' bitch a G  
My lil' bitch a G  
My lil' bitch a G  
So I fuck her like we beefin'  
And if she ain't with me  
She feel like she creepin'  
My lil' bitch a freak  
I fuck her each and every weekend  
And when she not with me  
I look for her like we beefin'

Dope game hectic  
Nigga don't get a pension  
Oh, I forgot to mention  
Chances of prison  
Your bitch ain't missing  
Nigga, you got me twisted  
I'm Gucci, super friendly  
Baby just couldn't resist me  
Pillow-talkin', kissin'  
Man, these niggas trippin'  
If I'm just reminiscin'  
Why you gettin' so defensive  
Wait one minute  
Ballin' like we the Pistons  
Ferarri boy business  
Baby, check out my engine  
Switchin' gears quickly  
Life is pole position  
Your homeboy's a trick  
He came home with a hickey  
Since I'm in a 'enzo  
Might as well roll a ickey  
This bitch just text me  
Baby, baby, ya miss me

My lil' bitch a G  
My lil' bitch a G  
My lil' bitch a G  
My lil' bitch a G  
My lil' bitch a G  
So I fuck her like we beefin'  
And if she ain't with me  
She feel like she creepin'  
My lil' bitch a freak  
I fuck her each and every weekend  
And when she not with me  
I look for her like we beefin'

I'm talkin' loud, smokin' loud  
Roll a half-a-mile joints  
Stuffin' 'em like they Black & Mild's  
I just rolled me five blunts

I'ma put you niggas on somethin'  
I'm [?]  
She want some, she worth some  
I murk somethin', I'm worth somethin'  
She's a monster, porn star, avatar, Amazon  
I'm paid in full like Cam'ron  
And healthy and handsome  
Baby, you the one  
You the bomb, Boston Marathon  
I rap, act, and still trap too  
That's triathalon  
I got a magic one  
I have you sprung  
Bishop Don Juan  
I got monkey nuts on all my guns  
King Kong, son  
Think I'm Cheech 'n' Chong  
Fuckin' up my lungs  
Smokin' with your mom  
Addicted to me  
Nicotine gum  
Need to listen to me

My lil' bitch a G  
My lil' bitch a G  
My lil' bitch a G  
My lil' bitch a G  
My lil' bitch a G  
So I fuck her like we beefin'  
And if she ain't with me  
She feel like she creepin'  
My lil' bitch a freak  
I fuck her each and every weekend  
And when she not with me  
I look for her like we beefin'
