

# Odd Ball

Gucci Mane

It's Guwop!  
Gucci!

Oddball, oddball  
Baby girl you know that you's an oddball  
Fuck with you you know that I'm an oddball  
VVS' in my ears are golf balls (bling bling!)  
Oddball, oddball  
My money getting so old I need some moth balls  
My motor's in my trunk I drive a weird car  
I'm a trap star I'm labeled as an odd ball  
Oddball, oddball  
Body suit on like catwoman she know she [?]  
And her booty so big it's hard to take her pants off  
She an oddball she know that I'm an oddball

Ain't it odd that I drive a Dodge I'm in love with Dodge  
Got a Challenger and Charger and I'ma need a charge  
For my Lamb and my green Ferrari and I missed a top  
And her hips look like Nicki Minaj, smoke blunts with my Glock  
Hickory Dickory, special delivery  
A box full of currency it's Gucci I'm mailing me!  
Allegedly I buy Ferraris and special accessories  
No interior decorator but I got curtains in my Bentley jeep

[?] in a Beemer  
Odd ball with the lean-a  
In a red two seater  
On the pedal is a creature  
Smoking thousand dollar reefer  
[?] diamonds should be illegal  
Freddy hit my phone, sent a hundred thousand Keishas  
Quarter million dollars on an all orange Fisker  
Body suit, catwoman, I had to go fishing  
Somebody girl finna end up missing  
Mean mugging us cause his bitch want pictures!
