On Us

Gucci Mane

There's a party at my mansion, we got drinks on us
There's a party, we got game on us
Got game, got mollie, got lean, got pills, got racks on racks on us
There's a party in my mansion, tryna sit with us
I like the way she dancing, you need to come with us
It tears everything, bricks, clothes, we got everything on us
There's a party at my mansion, drinks on us

There's a party at my mansion, pull up in a panoramic
Pouring up from magazines, boutie, I'm a draw her an Advil
Lookin' hood with all them chains on
Don't fuck with a mike, get rained on
Meet the plug at home-come
I'm backin' for life, pay pawn
Run run with a motha' like Reese Holmes
Aw, yeah, nigga, some pee on
Oh, me got me on a ringtone
I call the plug and get three's on
I smoke 'em up cause I'm paranoid
My glasses on, they tong for it
My blunt long, get snitch a cold
Got game here, er'body know it

Got game, got mollie, got lean, got pills, got racks on racks on us
There's a party at my mansion, drinks on us
I like the way she dancing, you need to come with us
18-17 brick squad, with that everything on us
On us
There's a party at my mansion, drinks on us
On us
On us

I'm a real trap nigga, surrounded by pistols and killers
Sellin' that dirt that'll kill ya
Da hell you lookin'? I might be here killa
You strip by yo bottles and liquor
I'm coffin' that lean by the liter
I'm smokin' on reefa, shaleda my people
Pull up in that Lotus, I look like a creature
I got cash on me, no fever
My diamons raw Acafiena
Got mollie, got gag got sand
I'm with the coke, kill it with the fan
All the jury on us
Niggas gon' pack the run up
Not sayn that I can get touched
But run up and watch you get bust

Got game, got mollie, got lean, got pills, got racks on racks on us
There's a party at my mansion, drinks on us
I like the way she dancing, you need to come with us
18-17 brick squad, with that everything on us
On us
There's a party at my mansion, drinks on us
On us
On us
