Some of these niggas still richer than me  
Some of these niggas got bigger than me

What a better position for a nigga to be  
Some of these niggas still down with me  
Some can't even come around to see  
Some of these niggas be doubting me  
When they know they should be crowning me  
Real street nigga, real Kingpin nigga  
Got two, three, four, five families  
So much dope in the city feel like i ain't give a nigga like a gram a piece
