Well remember 1994, [?] man I ain't had shit
In '96 the leverage came and I ain't had shit
Used to walk outside DeKalb mall broker than a bitch
Window shoppin', window shoppin', I ain't have shit
Sold a nick for a dime thought I did some major shit
But the end of the day man, I ain't had shit
Me and [?] hit a lick but guess what, we ain't had shit
Me and [?] copped some bricks but guess what, we ain't had shit
Me and OJ at the 508 man we ain't had shit
Had to give my lunch to me for free cause I ain't had 50 cent
Bought a [?] for Christmas it was the best money I've ever spen
t
Made the profit spent it so quick man that I ain't had shit!

Black Migo Gang you better recognize
So I thank God everyday I'm still alive
Bring you rappers to my block bet you won't survive
Niggas snitchin' to the cops they ain't got a dime
Quarter million worth of watches just to tell the time
I just left Colombia the streets is mine
And you can get a split nigga for a dime
And everybody rich nigga that I'm around
And I can make the work do the Julio
I put wings on the bricks and fly 'em to your door
All my hoes shitted on me five years ago
Now I'm shitting on these hoes like a toilet bowl
